Single Level

Approximately 1,213 sq. ft.

A private side entry welcomes you to this comfortable, airy single level home. The living room has a warming fireplace and art or media niche. Volume ceilings and custom window treatments add a dramatic touch. The gourmet kitchen offers a convenient serving bar and roomy pantry. The luxurious master suite features a pampering oval tub and shower, as well as a huge walk-in closet. A window seat in the second bedroom offers a cozy spot for reading or relaxing.
